## INDUSTRIALISTS AND EXPORTERS CONFERENCE

### Sustainability Award (Green Industries and Greening the Economy)

This award recognises all green industries and business, which are in greening the economy, driving products and services seeking sustainability and sustainable environments. It aims to encourage South African companies to participate in industries using natural resources to prevent carbon emissions, climate change and ensure environmental conservation. The nominees must show a solid track record of trading in green industries for the last three fiscal years. We are looking for companies who are contributing to the sustainability and climate change agenda in terms of low carbon production, renewable energy generation and/or development of cleantech solutions in the waste, water, green transport, sustainable agriculture or energy sectors. Companies who have demonstrated exceptional technical excellence for the green economy are welcomed to apply.
