

YOU ARE INVITED

TechSprint

Improving resilience and compliance
of small credit providers.

Virtual NCR Onboarding
Briefing Session

August 22, 2023

14:00 to 15:30 CAT

The NCR in partnership with the IFC is looking for innovative companies, organisations and individuals to join our forthcoming TechSprint to ideate and build new solutions that will improve the resilience and compliance of small credit providers in South Africa.

It is our pleasure to invite you to attend our Virtual NCR Onboarding TechSprint Briefing Session on **August 22, 2023 from 14:00 to 15:30** in which we will provide key information about the upcoming NCR Onboarding TechSprint. The TechSprint will focus on two key elements that are critical in business sustainability and compliance. The small credit providers must have technology to enable:

- **Resilience:** enable digital onboarding and credit extension by small credit providers to underserved markets.
- **Compliance:** ensure effective participation in information sharing, submission, and regulatory reporting.
