

Notice to all NCR suppliers

All National Credit Regulators (NCR) suppliers
The following changes are effective as of the 1st of April 2016:

Suppliers who wish to render services to NCR will no longer register at NCR directly. Suppliers will have to register on the National Treasury Database as per National Treasury Circular No. 3 of 2015/2016 – Central Supplier Database (CSD). National Treasury will maintain the database for the NCR suppliers. All existing and prospective suppliers are requested to self-register on the CSD by accessing the National Treasury website at www.secure.csd.gov.za
